South Side

**General Notes:**  
 A. Each section is 8'x16' with 4 plots.  
 B. There is a 4' gap between sections.  
 C. A cross indicates a burial. †  
 D. Names without a cross are plot owners.  
 E. Names with a cross are interred. Others may be interred but we don't know for sure.

**Grave Notes:**  
 (1) Gail P. Lorenz is buried in the wrong plot (27A) which was owned by Robert and Patricia Lubinski. Plot Permit 45 replaced Permit 30 to correct problem and traded 4 plots with Lubinski.  
 (2) Donald Pomeroy owns 17D next to his first wife but is buried in 95D where he bought 4 plots after remarrying. Received call from son who want to bury mothers ashes but did not call back.
